This original townhouse, situated in the heart of Ibiza's ancient World Heritage walled city, is endowed with great style and appeal. Set in a quiet corner of the fascinating labyrinth of cafes, boutiques, and some fine restaurants which makes Dalt Vila a sought-after location, this townhouse is also only a short walk from central Ibiza town. The property is entered through an attractive door leading into a private garden patio, a preview of the welcoming ambiance of the interior, which has recently been totally renovated. The three levels, each of approximately 44 square meters, include a ground floor with an open-plan living-dining and kitchen area, and a courtesy bathroom, and 2 upper levels of loft-style rooms with full bathrooms adjoining. Fireplaces, wood-beamed ceilings, and ample storage that includes a 22m² cellar, provide comfort and convenience while a rooftop solarium provides sunshine, privacy and panoramic views over the old town and Bay of Ibiza.
